

# My Salvation Testimony

*A story of how I came to know Jesus*

## WHY THIS MATTERS

### REVELATION 12:11

*“And they have defeated him by the blood of the Lamb and by their testimony...”*

### JOHN 4:39-42

*“Many Samaritans from that town believed in him because of the woman’s testimony...”*

Your salvation story matters — not because of how dramatic it is, but because of what it cost. Every testimony of faith in Jesus points to His grace, His pursuit, and the reality that God is alive and active. Revelation 12:11 reminds us that one way believers fight back against the spiritual darkness of Satan is through the blood of the Lamb and the word of their testimony. In John 4, a woman shared her encounter with Jesus and an entire town came to believe. Your story has that same power — no matter how simple it seems.

## HOW TO USE THIS WORKSHEET

- Use the spaces below to write bullet points about your story.
- If time allows, turn your notes into short paragraphs.
- When you’re finished, prepare to share a 2–3 minute version of your testimony with someone.

## MY 3-PART TESTIMONY

**1. My Life Before Jesus** What was I like before I really knew Jesus personally? What was missing, or what was I chasing?

**2. How I Met Jesus** How did I come to know Him? Was it a moment, a season, or a growing understanding?

### 3. My Life Now What has changed? How is Jesus helping me grow or walk through life today?

#### WRITE YOUR STORY

---

Using your notes above, write a short version of your testimony that could be shared in 2–3 minutes.

#### PRACTICE SHARING

---

Practicing your testimony in a safe setting is one of the best ways to build confidence and refine your story. You may discover details worth adding — or realize some things don't need to be included. Share either your longer written version or a shorter 2–3 minute version with a partner, small group, or someone discipling you. The more you practice, the more natural it becomes.

#### REFLECT & CONNECT

*Your story matters because it is God's story — and someone out there needs to hear it. Who can you share your testimony with this week?*
